CHAMPLAIN BASIN EDUCATION INITIATIVE

Watershed for Every Classroom is a project of the Champlain Basin Education Initiative (CBEI). The partners include the Lake Champlain Committee, Shelburne Farms, the Lake Champlain Basin Program, UVM Watershed Alliance/Sea Grant, Our Curriculum Matters, Lake Champlain Maritime Museum, Community Sailing Center, ECHO, Leahy Center for Lake Champlain and others working to promote environmental and place-based education throughout the Lake Champlain watershed.

Join the hundreds of educators who bring their discipline alive through watershed education!

FEE: $500 (includes housing & meals for single overnights in July, October & May).
6 graduate credits available at additional cost.

http://watershedmatters.lcbp.org/

Have Fun! Meet! Network! Enrich! with teachers from around the Basin in Québec, New York & Vermont.
with Basin scientists, historians and stewards who work with local issues to preserve and protect this amazing place.

and get outdoors! WEC is like camp for teachers: Travel the Basin, visit farms, paddle waterways, look out over mountain tops, tour urban areas and much more!

WATERSHED FOR EVERY CLASSROOM

Have Fun! Meet! Network! Enrich!

your curriculum with local, relevant and engaging topics while still addressing national standards and district expectations.
